

DINING A LA HEART EDUCATION MATERIALS

Cooking for a Lifetime

This cookbook contains over 300 heart healthy recipes designed to make low fat cooking easy & delicious. It also contains the American Heart Association Guidelines and tips for modifying recipes. Many of the recipes were developed by chefs from around Indiana. **\$15**

Fast Food Food Facts

This 2005 64-page booklet includes fast foods and some casual dining restaurants. Nutrition information includes fat, saturated fat, cholesterol, sodium, carbohydrates, fiber and protein. Additionally, tips for making heart healthy choices away from home are included. **\$5**

The Guide to Heart Healthy Living

This comprehensive guidebook contains information on risk factors for heart disease, and information on how to lower your risks through lifestyle changes. Weight management, exercise, and stress reduction topics are also covered. Additionally, it contains sample menus, information on increasing fiber in your diet; and a summary of possible interactions between herbal products & prescription medications. **\$15**
