Reviving Hearts will provide:

1. Philips HeartStart Frx Defibrillator Set, customized wall plaque, resource for training of additional first responders when needed, service after deployment and medical supervision. Reviving Hearts will limit three (3) AEDs per high school school. If schools wish to purchase additional AEDs, Philips will honor the Reviving Hearts price. CREFI will not be held liable in the event of a recall or unit malfunction.
2. The CPR Institute of IN will provide training to the first five (5) designated personnel and notify local EMS of the AED placement. Additionally, the American Heart Association can provide training.
3. PR & Media campaign.

School Responsibilities:

1. Develop a response and communication plan: notify the local EMS (fire station/police station/hospital ED) and install AED, through the CPR Institute of Indiana.
2. In the event additional 1st responders need to be trained, the CPR Institute of IN will provide the training to the first five (5) at \$25/person or \$29.95 for the Family & Friends CPR Anytime Program through AHA.
3. Monthly Communication of: Equipment checks, training, deployment of defibrillator and response form and outcomes tracking.
4. Purchase additional HeartSmart Pads (\$49) as needed and replacement batteries 8 - 10 years after receiving the AED (\$228).
