

AUTOMATED EXTERNAL DEFIBRILLATOR (AED) BUSINESS PACKAGE

The Reviving Hearts Program, a division of the Cardiovascular Research and Education Foundation of Indiana, Inc. (CREFI), and CPR Institute of Indiana are able to offer the following AED Business package for \$1405. CREFI's mission is to work in conjunction with businesses and the community to discover new and better ways to prevent, diagnosis and treat cardiac disease.

The Business Package includes:

1. On-Site Brand Philips AED (primarily for adult use and user friendly)
2. Alarmed Wall Cabinet
3. Carrying Case
4. Rescue Kit
5. On site assessment of the business with recommendations for the number and placement of AEDs
6. Installation
7. After deployment staff follow up.

OPTIONS:

Pediatric Cartridge:

If a business has children present, adding a pediatric cartridge may be recommended. \$90 each.

Training:

If a business needs training for first responders, CPR Institute would provide on-site training for \$25/person with no minimum or maximum number of people.
