

THE REVIVING HEARTS PROGRAM

Saving Lives with AEDs

Your generous support of the Reviving Hearts Program will help the Cardiovascular Research and Education Foundation of Indiana, Inc. (CREFI) save Indiana lives. Your donation will be used to place an Automated External Defibrillator (AED)** in an Indiana high school.

Please accept my donation of \$_____ to The Reviving Hearts Program.

Name: _____
 Address _____
 City _____ State _____ Zip _____
 Email: _____
 Phone: _____ Fax: _____

I would like to nominate one of the following high schools*:

Name of School	City	County	Contact Information:

**The Reviving Hearts Program will attempt to honor your High School recommendations. However, schools may have a sufficient number of AED's to facilitate life threatening emergencies. Your choices will be strongly considered, but not guaranteed. Rest assured that Reviving Hearts' goal is to place needed AED's in all Indiana High Schools.*

Thank you for your donation! AED's save a lives!

Sudden cardiac arrest (SCA) affects over 400,000 people each year and is the leading cause of death in young athletes. Ask any parent whose child has died from SCA and they will say three letters that might have saved their child's life...AED. Through the Reviving Hearts Program, \$2500 will provide one AED set** that includes the AED, Carrying Case, Fast Response Kit, Alarmed Wall Cabinet, training, and post deployment follow up for one local high school.
